

OUR EXPERTISE

At Venteon, we are experts in providing recruiting services in Finance & Accounting with the following options:

Direct Placement
Contract
Contract-to-Hire

> WE DELIVER THE RIGHT SOLUTION

Our recruiters are experts in finding the right candidates for your position. Through active recruiting within our vast network (both locally and nationally), we source qualified candidates that have the exact experience necessary to make an immediate impact.

Our goal is to make the right placement the first time. We spend a great deal of time matching the right candidate with the right opportunity. Once a placement is made, we implement an ongoing quality control program to ensure the satisfaction of both parties. We believe that being proactive in this process enables us to provide a high level of success in our placement process.

> WE BUILD LONG-TERM PARTNERSHIPS

Our professional staff will learn about your business, culture and work environment in order to understand the requirements and skills needed for your open position. We then tailor our search to these specific requirements and efficiently address your critical hiring needs. Our dedication to nurturing long-term, trust-based relationships with both clients and candidates is the reason for our success.

FINANCIAL STAFFING

Direct, Contract & Contract-to-Hire

Venteon Staffing consultants are trained to find and recruit the most qualified and accomplished candidates for your specific hiring need. Our professional and dedicated staff can customize solutions to specifically meet both your short-term and long-term staffing needs. In either case, our response is timely, our service is exceptional, and our candidates are guaranteed to meet your specific requirements.

FINANCIAL SEARCH

Direct Placement

Venteon Search has helped senior management identify, hire and retain employees for decades. Our strength is finding and placing superior human capital that can take your firm to the next level. The best talent is rarely looking because they are too busy! In fact, over 80% of our placed candidates were not actively looking for a new opportunity.

WE BRING BUSINESS & TALENT TOGETHER

All of our executive recruiters have extensive industry experience, which allows them to fully understand not only a specific position, but also how that position fits into corporate goals and objectives. We are dedicated to customized recruitment and placement of the highest caliber candidates at many different levels in the following positions:

Chief Financial Officers	Accounting Managers	Vice Presidents of Tax
Vice Presidents of Finance	Accounting Supervisors	Directors of Tax
Treasurers	Senior Accountants	Tax Managers
Controllers	Staff Accountants	Tax Staff
Assistant Controllers	Cost Accountants	Audit Directors
Financial Reporting	Finance Directors	Audit Seniors
CPA's	Finance Managers	SOX Analysts
SEC/Technical GAAP	Senior Financial Analysts	Internal Auditors

OUR STAFFING PROCESS

Our comprehensive interviewing, screening and training process is designed to find the best talent in the local area. We interview all candidates to analyze both quantitative and qualitative skills to ensure that they can be successful in your organization. In addition, we put our candidates through a rigorous, client-driven testing process. This process ensures your satisfaction.
