

OUR EXPERTISE

At Venteon, we are experts in providing recruiting and staffing services of Engineering, Design, Manufacturing and Operations professionals with the following options:

- **Direct Placement**
- **Contract**
- **Contract-to-Direct**

> WE DELIVER THE RIGHT SOLUTION

Our recruiters are experienced in finding the right candidates for your position. Through active recruiting within our vast network, we source qualified candidates that have the experience necessary to make an immediate impact.

Our goal is to make the right placement the first time. We spend a great deal of time matching the right candidate with the right opportunity. Once a placement is made, we implement an ongoing quality control program to ensure the satisfaction of both parties. We believe that being proactive in this process enables us to provide a high level of success in our placement process.

> WE BUILD LONG-TERM PARTNERSHIPS

Our professional staff will learn about your business, culture and work environment in order to understand the requirements and skills needed for your open position. We then tailor our search to these specific requirements and efficiently address your critical hiring needs. Our dedication to nurturing long-term, trust-based relationships with both clients and candidates is the reason for our success.

To ensure a satisfied client and contract employee, Venteon Technical offers the following benefits:

- Medical / Dental Insurance
- Life / Disability Insurance
- Paid Holidays
- 401(k) plan
- Flexible Spending Account (FSA)
- Direct Deposit
- Weekly payroll
